The seminar and book for this are fantastic and are very detailed and helpful tools for passing the boards!! 🙌 I couldn't have passed without either one! 😊 Highly recommend! 🙌🙌

Grace Villarica reviewed Dental Hygiene Academy — 5★

I heard great things about this seminar from other RDH's and they were not wrong! All the presenters have been outstanding; great personalities and you can tell they want you to succeed. I am thankful to be here. This was exactly how I expected a "review" type of seminar would be—straight to what to focus on. This board review reaffirms that I have a solid understanding of the courses from past semesters and the confidence to pass the National board with flying colors! Thank you Andy and team!!

As a dental hygiene instructor, I have attended a number of board reviews in the past years. Dental Hygiene Academy has by far been the best one yet! Andy has subject matter experts and excellent nationally known speakers help with the review. The weekend was organized, fun and very beneficial. The online resources are also great. I highly recommend Dental Hygiene Academy!
